

Adult Umpire Schools

Western Region Headquarters

There are two one-week sessions available. Little League Rules and Field Mechanics Training are included, and the materials presented are outstanding.

This clinic is open to all Little League Umpires regardless of experience. The clinic is designed for the volunteer umpire. The instruction is very professional, and students will receive more than 100 pieces of information to help them with their umpire career. This clinic will provide the experience and knowledge for the league umpire official to return to their home league and provide sufficient training and information for their local staff. Each student is encouraged to bring a two-inch three-ring binder and writing instrument.

Each day will consist of classroom and field exercises. The sessions will begin around 8 a.m. in the morning and conclude in the evening around 9 p.m. Each student will receive ample videotaped plate instruction throughout the week.

This is a seven-day clinic, with registration beginning on Saturday or Sunday at 2 p.m., and concluding with graduation on Friday or Saturday at 4 p.m. Meals and dormitory style housing will be provided at the Western Region Headquarters complex and the cost for the clinic is \$310.00.

Clinic registration begins October 1st and will **only be taken on-line**. Please register early, as space is limited. All training sessions except the Junior Umpire School are limited to adults 18 years of age or older (16 & 17 year old students will be considered on a case-by-case basis) and must be approved by Western Region Headquarters. To register on-line for this clinic, [click here](#). For more information about other clinics available, go to the Western Region website, www.eteamz.com/lbwest or for more information, call the Western Region Headquarters at 909-887-6444

Little League Baseball does not limit participation in its activities on the basis of disability, race, creed, color, national origin, gender, sexual preference or religious preference.
